## PRESIDENTS REPORT

*Michelle Van Looy*

If things go to plan, this will be an end of an era, as this will be our last AGM in the Olympic Harrier Clubrooms. We look forward to the new building with anticipation.

I'd like to thank the Committee, Coaches and volunteers who put their hands up each week to ensure the club runs smoothly.

- Brian Rusbridge for his tireless work with grant funding so we can keep the cost of trips down. We were also successful in gaining grants for expenses the club incurs for running our interclub events too.
- Trent Corbett's weekly updates on social media have kept the club in the spotlight, informing the members and the wider community about Olympic Harrier and Athletic Club.
- Melissa Crompton for sending out the weekly newsletter.
- Mike Waterman for ensuring the website is updated too.
- Ruth Humble for managing the Club Uniforms.
- Bruce Atmore has continued to progress with the Sports Hub project ensuring the Committee and Club are informed of any developments.
- Jacqui Cope has taken on the arduous job as Club Treasurer and has done a fantastic job!!
- Jan Sheppard has been an awesome Secretary.
- Joe Fowler for his awesome handicapping skills.
- Volunteer Coaches; Chris Speakman on Tuesday nights, your energy and enthusiasm is legendary. Juan McDonald and John Cope for the junior coaching supported by Manager Kelly Abbott, you have been outstanding.
- Rob McCrudden for thinking outside the box ensuring the Wellington XC Champs went ahead re-routing the course. Robs course setting expertise are legendary.

Thank you for your continued ongoing support throughout the year.

Highlights for the club have been:

- Top Club at North Island Champs and multiple individual and team performances throughout the season.
- It was great to see a Junior Men's Team at the National Road Relay Champs after a hiatus.

We have also had three New Zealand Reps this year:

- Andrew Thompson at the World Trail Running Champs in Portugal in June 2019.
- Toby Gualter for World XC Champs in Denmark in April 2019 and also World Mountain Running Champs in Argentina in November 2019 where he placed 7<sup>th</sup>.
- Will Anthony Competed in the Australian Secondary Schools Cross Country Championships in August 2019.

## CLUB CAPTAIN'S REPORT

*Rob McCrudden*

Club and Interclub races:

- The Maiden and Perston held at Granada North, kicked the season off with a classic wellington cold southerly day, wind blowing but managed to dodge the rain showers. Young upcoming Oscar Crowe took out the Maiden and Jack Julian is proving form taking out the Perston. Jessica Hughes was the fastest woman in the Perston.
- Wellington Mountain Running Champs in Wainuiomata (also New Zealand Mountain Running champs this year. As usual Olympic performs well over mountain terrain.
- Our juniors were the Prince and Princesses of the mountain and in the Woman, we had a Queen with the men taking a runner up (second)
- Shaw Baton Relays is hosted by Olympic, and this year it seemed to run smoothly with great numbers across the races. We had some fantastic results especially the win of the U20 Junior men (can't think of the last time our older junior men have won this event) The U16, U14 boys, Woman 50 and U12 Girls also taking out first place. Our Senior Woman had a respectable 2nd place with a guest appearance of Suzannah Lynch.
- University Relays saw Paula Binkhorst come in first woman in the chocolate fish walk. The Junior Men for another week took out the competition. We had a few second places across the grades.
- The Vosseler Shield, Mount Victoria, a windy day. With 62 people tuning out from Olympic we had 11 place getters, 4 of those 1st place in the juniors,
- The Dorne Cup at Trentham Memorial Park was dry under foot with an extra stream crossing. Top performances across the Junior grades, lots of Olympic 1st place.
- The Grand Memorial had guests from NZ army and Vic Uni again. The course was quite firm, but that didn't stop the notorious bog down the end from claiming shoes.
- North Island XC Champs, Taupo Spa Park. Olympic were crowned Top Club again, no surprises. We had 47 members run and take part in a social weekend away.
- Wellington XC Champs, Granada North. Again hosted by us, Very boggy which forced a late course change, It was an exciting watch seeing runners falling over in multiple sections of the course especially the bank down towards the finish.
- Club Cross country champs was squeezed between Welly XC and NZ XC. So it was a busy couple of weekends for not only athletes, but the team who helped out in making it all happen.
- New Zealand XC Champs, hosted by Wellington at Harcourt park. Stark contrast to Grenada, everyone seemed to enjoy the new course, was something different and well laid out for spectating.
- Wellington Road Champs, final of the overall series saw some medals for some of our members who have been racing well across the season and turning up to all the races.
- Overseas races. This year we had multiple club athletes selected to represent New-Zealand. Members streamed in to try watch the action lived which had better playback than Spark Sport. Our athletes did extremely well.

Overall it has been another busy season organising lots of different events. Not only our beloved cub events, but also the Centre Cross-Country and helping with the National Cross. A lot of long days for club volunteers who work tirelessly to help make the season what it is. These events do not happen without these volunteers, so I want to extend a massive thank you to all involved in the puzzle, everyone had different pieces which fitted together to complete the picture.

## JUNIOR TRACK AND FIELD

*Amanda Goldsmith*

We once again, had a very successful season. Our athletes that has taken part in cross country and road competition has proof their dominance and have succeeded in what they have set out to achieve. They have clearly showed that they are athletes to be reckoned with, this season and in future with some significant success, both for individual athletes and their respective coaches.

A few of our athletes were selected to represent New Zealand abroad in either road races or mountain races and to all of these athletes, cross country, road and mountain running races/competitions, we wish to congratulate you all. To achieve this as a junior athlete is fantastic.

Our track and field athletes have done likewise. There were a vast number of athletes that have placed on podium, received a ribbon, a medal, a trophy or a certificate at inter club competitions, Wellington Championships, Colgate Games and at Olympic club championships.

Some of our junior athletes have often participating in senior competitions and have won their respective races. This is great and we feel proud to be part of their future journey to become the senior athletes of the future.

Other track and field athletes have set a record in their respective events or have equalled a record and even our youngest junior, 5 – 7, have obtained their ribbons at Colgate Games. We wish to commend all our track and field athletes on their achievements during the season which could only have become a reality through hard work and dedication that goes into the preparation for their respective competitions at Regional, National and in some instance International levels.

We, recognise the pride and inspiration that you bring to the sport, your families, clubs, centre and country.

We also had 7 athletes in the 12/13 IP team and 4 of our parents, as well as one of our coaches, was selected as IP team Managers. The team was placed 4<sup>th</sup> this time around. We had only 1 athlete in the U16 – U18 IP team and 2 of our parents were selected as IP team managers. The Team was place 2<sup>nd</sup> in the U16 and 2<sup>nd</sup> in the U18. This team consists of 14 and 15 year old athletes that had to compete under 16.

There were also a good number of our athletes that were selected for the AIMES games where they have not only done running, jumping and throwing but also other sporting activities like netball, rugby, soccer, cricket, swimming, volleyball etc.

The local schools are all benefitting from our very well-trained athletes because there were several of them that has walked away with certificates, medals, accolades and trophies at their respective schools' competitions on a Regional, National and International level.

*Running for all*

A huge thank you to our coaches who is working very hard to train our athletes to achieve and succeed. With their kind, never tiring coaching, motivation and guidance, our athletes are well prepared when they step into a competition.

We should not forget to thank the families of our athletes who is making a significant contribution to them, making sure they get to training and competitions on time, supporting and encouraging them.

Several our parents have been doing volunteer officiating duties during the season, which sometimes could last an entire day. To all these parents. Thank you. Your willingness to set aside your own personal time to help your child, and all the other children, so that they can compete in a competition, speaks volumes.

Finally. Let us remember that our junior athletes, over the broad spectrum, is the youth athletes of tomorrow who will eventually become our senior athletes.

## TREASURERS REPORT

*Jacqui Cope*

The committee has continued to work hard to ensure the Club is vibrant and active while remaining financially sound. This is reflected in a reported \$61 surplus and our continuing healthy bank position. Our funds in the bank at 30 September 2019 were \$67,082, an increase of \$1,773 from the previous year.

A wonderful summer with few cancellations was enjoyed by our junior athletes on Monday club nights. While a number of our athletes continued to impress at both regional and national levels. A big thank you to Amanda, Juan, John and Mark for the considerable time and effort they put in to developing our younger members, providing them with the opportunity to take their athletics and running further.

While our junior athletics membership numbers were up on previous years, which is great news, our winter membership saw a decrease in registered athlete numbers.

Our Grants Officer, Brian Rusbridge continued to work tirelessly securing over \$14,000 in grants for the Club. We have again been able to cover the full cost of having Mark Anderson coaching our youth-college aged athletes. In addition, significant savings have been shared across all athletes representing the Club at the North Island Cross Country Champs in Taupo and the National Road Relays in Feilding. This coupled with the considerable effort Brian puts into the administration associated with each of these trips has ensured members have continued to have opportunities to travel to these events at an affordable cost.

This Grant income is supported by the fundraising efforts of the committee and club members through the hosting of the annual Shaw Baton event, and to a lesser extent hosting the Wellington Cross Country Champs and supplying a volunteer workforce to help at the Porirua Grand Traverse. Weekly BBQ's at Junior Athletics nights, at inter-clubs hosted by the Club, and BBQ's and Bake Sales at the Shaw Baton and Wellington Cross Country Champs have provided much needed additional funds. A big thank you to all who helped.

In 2019/20 the committee will be continuing to look at ways to minimise the Clubs costs while trying to ensure all members have a fantastic Club experience. Please everyone, help out where you can.
