PRESIDENTS REPORT

Peter Denman

There was a buzz around Alex Moore Park in March 2021 when our new clubrooms were officially opened. Hosted by Wellington City Council we were treated to a traditional Māori welcome, speeches, then refreshments before a tour around the new facilities. This amazing asset was the culmination of much work by many Olympic Harrier and Athletic Club (OHAC) people, with special thanks to Bruce and Trent for their contributions in representing OHAC at the various project meetings. It is now in full operation - including a café and bar for functions.

With the season now opened, there was keen anticipation in a winter programme that showed much promise. The first major interclub event, the Shaw Baton Relays, showed that the OHAC potential was starting to bear fruit but then COVID reared its head again and was to remain a challenge for the rest of the season. As a committee we got familiar with meetings via Zoom technology and relying on Michelle's Facebook and email postings to keep us informed. This highlighted how flexible the Committee had to be this year as we had to swap, change and modify event criteria, often with very short notice. Our prizegiving at the end of October, as an example, was changed from a private to public event on the same day, which meant more rules but did give the opportunity for more people to attend.

The Committee also had to deal with major health issues. I, personally, had major heart surgery in April which necessitated a temporary change in leadership. The Committee responded quickly and positively with leadership shared between Bruce, Jan and Rob over the next 3 months. Thank you all.

The role of a harrier, running, walking, and athletic Club is to provide a safe and secure environment for all members to compete and socialise. For this reason we are known as a family friendly club, helping each other to realise our potential. This year this was evident when OHAC went to Christchurch for the cancelled National Road Relays and quickly put together teams that competed over set laps, with the winner receiving the new and much-desired COVID Challenge Cup. Returning to Wellington they were cheered by members and supporters alike. Great teamwork from Brian, Michelle, Graeme and Joe ensured a trip that will be celebrated in years to come.

This year has seen several amazing performances from our athletes. Members have won medals at National, North Island, Secondary Schools and Wellington Championship events. More information is in the Club Captain's Report, but I would like to give special congratulations to Susannah Lynch, Will Anthony, Ingrid Cree, Ava Sutherland and Emma Douglass for their exceptional results.

A President's Report would not be complete without acknowledging the work done by the Committee and wider club members to keep OHAC running smoothly:

Rob McCrudden: A legend in the club. The man in the engine-room, Rob gave much support to all members (especially myself, stepping in when I was in hospital and recovering). Rob is also a member of the Junior Committee and continues to encourage everyone with his humour and knowledge.

Running for all

Graeme Moss: A great right-hand support man to Rob, who worked hard at keeping us updated on what was required to keep OHAC running smoothly. Thank you for the big effort in organising trophies this year.

Brian Rusbridge: Even in the stressful times of COVID, Brian still managed to find funds to help keep OHAC costs down for the away trips.

Bruce Atmore: A special thanks for stepping in when required and for the great commitment in liaising between OHAC and the AMPSCI Board (that runs the Waiora Hub) to help ensure the smooth running of our new clubrooms.

Jacqui Cope: A big thank you for your third year in the Treasurers role, helping to keep the finances in order in an ever-changing climate.

Tracy Berghan and Jan Sheppard: The Secretary was another difficult job in a difficult time, but both worked well together especially keeping me updated during my recuperation.

Deborah Lynch: A new face this year, Deb was always available to offer ideas on technology and to liaise between athletics and harriers. A great MC at prizegiving too.

Chris Sutherland: Another new committee member with new ideas, who was quickly able to help with finance and insurance matters.

Andrea Adams: Our Social Secretary who was kept busy supporting weekly club events and along with prizegiving.

Michelle Van Looy: Our Communications expert in Facebook and email, the weekly comms messages were a must-see to know what was happening, results and events.

Mike Waterman: Our website guru who led the charge in keeping our results and pictures updated. Keep an eye on the new website...

Joe Fowler – Our resident handicapper/selector who managed to make relay selection look easy.

Ruth Humble: Did a great job at seamlessly managing uniforms to ensure we are all kitted out correctly.

Volunteer Coaches: From Junior athletics through to Master's competitors the club is well served by dedicated and outstanding coaches: Chris Speakman on Tuesday nights, Juan McDonald and John Cope several nights a week with junior members, Amelia Harris with athletics and Amanda Goldsmith with her huge support of junior athletics. Total commitment.

Finally, a big thank you to all those volunteers and members who help keep the club running. Without your enthusiasm and support we wouldn't be able to provide the great club atmosphere and support for our members that we are known for.

CLUB CAPTAIN'S REPORT

Rob McCrudden

This year was a new beginning for OHAC because we were no longer homeless!

In an early morning ceremony, the Wellington Mayor, Andy Foster, opened the new multi-club Wairoa Hub, with members from each club and companies involved in the build represented.

Many thanks from OHAC must go to Bruce Atmore for all his time and effort, representing OHAC, to help complete the Waiora hub build with on-going time in meetings for the fitout and day to day management.

On April 17, we were able to start the harrier season with our traditional Maiden & Perston relay at Grenada North Park. Good conditions, a firm course, and the usual bog below the playground. Thank you to handicapper Joe Fowler for working out the times for this race - and all the other races this year.

The Maiden Race was won by Nic Cox, Kate McHardy was the first woman and the handicap winner was Oscar Thompson.

The Perston Memorial race was won by Jacob Kilmister, Amy McHardy was the first woman and the handicap winner was David Cook.

After the racing it was back to our brand new clubrooms, Waiora, to have our own OHAC opening of the new building with a few speeches and afternoon tea.

On May 1, after a Covid break, the Shaw Baton Relays was back!!! The relay is organised by OHAC and is an important fundraiser for the club. Thank you to everyone who lent a hand to make for a great day. I had a lot of positive feedback from other clubs on how well we ran this relay. To top it off we had great results.

OHAC gained 1st place in the Senior Women baton, for the first time in a long time - Amelia Harris, Susannah Lynch, Deborah Lynch and Emma Douglass.

Under 16 girl's: 1st - Maia Holden, Juliet Moorhead, Annabel Tuck and Addison Jetly.

Masters Women 50+: 1st - Tracy Berghan, Cathy Alderton, Michelle Van Looy and Jan Sheppard.

Masters Women 60+: 1st - Denise Pilcher, Tineke Hooft, Barbara Morrison, Jean Skilton

Other teams placed as follows: Junior Men 2nd; Junior Women 2nd ; Under 16 boys 2nd; Under 14 boys 1st; Under 14 girls 2nd; Under 12 boys 3rd; Under 12 girls 2nd; Under 12 mixed 2nd, Masters Women 35+ 3rd.

On May 8 we had the University Relays. A new circuit, or for those who can remember, back to the old original course. A very impressive run from Will Anthony, with the fastest time of the day (11.28). Amy McHardy ran the second fastest women's time (14.08). JW and W50 teams won gold with a mix of other placings

Running for all

On the May 26, we returned to Mt Victoria for the Vosseler Shield. The day was perfect for the hardest run of the season. Our high achievers were: Susannah Lynch 1st SW, Will Anthony, 1st M-U20, Max Doherty, 1st M-U16, Angela Clark, 1st W-U50, Ovin Angammana, 3rd B-U12, Nic (crazy) Hankinson, 3rd women's non championship 10k. In the teams, 1st W50, 2nd G-U12, 3rd B-U12, 2nd G-U14, 3rd M35, 3rd M50, 3rd open women, 5th open men.

Next up on July 3, we travelled to the North Island Cross Country Championships at Spa Park, Taupō, for our annual mid-winter club trip. Forty-two OHAC athletes competed at the event. The conditions were perfect, clear blue skies, gentle but cool wind, and firm under foot.

The highlights were ten club members getting medals. Special mentions go to Brooke Martin for winning the first race of the day (Girls U10), Susannah Lynch for running a fantastic tactical race to win the senior women's event, and Mike Waterman for running the entire M50+ race out the front by himself. With a great team effort, Olympic retained the top club award. A big thank you to family and supporters who also made the trip up for your engagement and for keeping the family club spirit alive.

On July 26, we had our Grand Memorial race at Boom Rock Road. This is very much a traditional cross-country race with 10 stream crossings and a bog to cross over 2km laps. This year we were joined by Hutt Valley Harriers and Victoria University. This year unfortunately OHAC did not have Martin McCrudden, who has had the fastest time for the last five years, so honours for fastest lap went to Greg Clarke (Victoria) who ran the fastest time (32:25), with Simon Angus a few seconds back (32:34). Max Doherty was the fastest in the 4km race (16:03), with Susannah Lynch second in 16:34. After the race we went back to show off the new clubrooms at Waiora.

On June 15 the Dorne Cup race was back. Conditions were great – warm (16 deg) and humid with little wind. The course was dry and firm under foot. Five OHC members won their races: Ovin Angammana (B-U10), Brooke Martin (G-U10), Amy McHardy (G-U16), Will Anthony (M-U20) & Susannah Lynch (SW). In the teams OHC won B-U10, B-U14, G-U14, M-U16, M-18 and W50 grades. What an awesome effort everyone!

On July 18, the Wellington Cross Country Championships (after a year off for Covid) were run at Harcourt Park, Upper Hutt. The Olympic Harriers results doubled as the OHAC XC champs (due to early lambing at Bryant's farm). Conditions were very wet and muddy, dare I say it great conditions for cross country. The following athletics won both the Wellington Cross Country and Club Champs events:

- Emma Douglass - Women Under 20
- Will Anthony - Men Under 20
- Maeghan Casey - Women Under 18
- Desmond Reddy - Boys Under 14
- Ovin Angammana - Boys Under 10
- Brooke Martin – Girls Under 10.

It was fitting to see so many OHAC champions who were also Wellington Cross Country champions. Congratulations!

Running for all

On August 14, we had the second edition of the “Needle Relay”. This was based at the Zephyrometer, on the corner of Evans Bay Parade and Cobham Drive. OHAC had a large number of teams over all the grades. The standout performances were: Women under 20 1st, Senior women 3rd, Men Under 20 2nd, Under 14 mixed 1st, Masters Man 60+ 2nd, Masters Women 35+ 2nd and Masters Women 50+ 2nd.

After a short Covid lockdown, the Athletics Wellington Road Championships events were held under Covid level 2, which limited numbers of competitors in each event, with spectators not allowed. This race doubled as OHAC road champs.

The following club members won their races and both the OHAC and Wellington road championships: Ovin Angamma, BU10; Brooke Martin, GU10; Desmond Reddy, BU14; Ava Sutherland, GU16; Maeghan Casey, WU18

Other placegetters were: Shriya Dalvi (2nd GU12); Oliver Harland (3rd BU14); Lucy Hannah (2nd GU14); Thomas White (3rd MU18); Ingrid Cree (2nd W35).

Will Anthony (running up a grade) won the SM race and was the outstanding performance of the day. We would have to look back in the archives to see the last time OHAC won the SM road champs.

On September 25, we had the Perston Baton Relay at Karori Park. It was a typical spring day in paradise Karori, a blowy northerly, a bit of mud under foot on the hill. It was a great turnout of members, with 10 teams of 5 and a lot of team lead changes throughout the race. It came down to a nail biter finish from team O21: Miles (win at all costs) Coverdale, Cathy Alderton, Rosa Stanley, Brook Martin, Deb Lynch and Susannah Lynch bringing the team home.

On the 2nd October the “Not-the-National-Road-Relay” was run in Halswell Quarry, Christchurch. With all of NZ in level 2, except Auckland still in level 3, only local Christchurch clubs could run in the Takahe to Akaroa road relays. Our club members still travelled down and did their own run. Thank you to Michelle Van Looy and Brian Rusbridge for their hard work to organise the “Not-the-National-Road-Relay”. Without them we would not be the envy of all the other clubs who cancelled their trips down.

On the 9th October we had our Philp Shield at our Waiora clubrooms, Alex Moore Park. This was another great turn out for this mixed fun relay where we could make use of the new clubrooms. We had 7 teams of 7 and the winning team was team 28, with 41 points:

1 lap - Cathy Alderton 7th, Brooke Martin 13th, Anneke Binkhorst 22nd

2 laps - Ava Sutherland 2nd, Mark Anderson 4th, Greta Abbott 6th

3 laps - Simon Angus 1st, Craig Holden 10th

Team 16 was 2nd on 42 points, with team 11 3rd on 43 points.

Great handicapping Joe Fowler!

There have also been a lot of outstanding performances this year in other events around the country:

- Christchurch Marathon (11 April) - 3rd SW Ingrid Cree 2:53:30

Running for all

- New Zealand Mountain Running championships (17 April) Queenstown, a brutal up-and-down Coronet Peak - 2nd SW Susannah Lynch
- Rotorua Marathon (8 May) - 1st SW Ingrid Cree 2:54:11
- NZ Secondary School Cross Country Championships, Hawera (19 June) - 1st Junior Girls Ava Sutherland (OHAC fifth member to win NZSS XCC); 2nd Junior Girls Amy McHardy; 2nd Senior Boys Will Anthony
- NZ Cross Country championships (Dunedin Chisolm Links golf course – 7 Aug) - 1st MU18 Will Anthony; 4th SW Susannah Lynch (also Wgtn SW team gold); 3rd W50-54 Angela Clark (also Wgtn W50+ team gold with Michelle Van Looy).

A very impressive list of achievements from these members and congratulations to them all. And there is still Toby Gualter, in the United States on a running scholarship, improving all the time! Congratulations are also due to Will Anthony who is also heading off to the US on a running scholarship in mid-2022.

Finally, a big thank you to those who helped over the season - the committee, coaches and all club members and supporters, but most of all those who get out there and run and walk!

JUNIOR TRACK AND FIELD

Amanda Goldsmith

Under the continuous coming in and out of restriction with COVID-19, the Olympic junior T & F had a successful season. Several of our high-level competitions were cancelled or rescheduled to 2022.

Athletics Wellington Junior Club (AWJC) Championships:

Achievements of our junior track and field athletes were great and we had 41 athletes finishing in the top 6 on track and 19 in field events. We had 7 athletes receiving a gold medal on the podium, 6 receiving a silver medal and 3 receiving a bronze medal.

The following athletes were awarded trophies at the AWJC final day of the Wellington Championships. Top female sprinter and top female jumper - Chethana Witharana. Top female hurdler – Rhea Whiteman.

Junior Inter clubs:

Our athletes did extremely well in the inter club competition, which is a points-based competition over 6 competitions (every fortnight) and have won, for the 4th time in a row, the overall trophy for the age group 7- 9 as well the trophy for the age group 10 – 12.

Youth Inter Provincial (U16 & U18):

They were successful and the team came 6th. We had 3 athletes that were selected for the team: James Wembridge, Celena Gotico and Chethana Witharana.

Amanda Goldsmith was the overall team coordinator and team manager.

12/13 IP:

The Wellington team came 3rd overall with 110,137 points. We finished 3rd overall in the relays and 3rd in the medley relays. There were 14 centres that participated in the competition and 1500 athletes. Olympic had 10 athletes in the team – Holly Robins (who was also the girls 12 captain), Briar Nicholson, Jersey-Rose Perrot-Lealamanua (who was also the vice-captain for the 12 girls), Maggie Robinson, Joshua Ingham, Charlotte Green (who was also the girls 13 captain), Lily Tankersley, Richard Jones, Ava Bowmaker and James Favel.

Jersey-Rose Perrot-Lealamanua obtained a bronze medal in the 12 girls' category with a point tally of 2722.

Amanda Goldsmith was overall coordinator for all 4 teams and team manager for the 13 girls' team. Joe Robins was manager for the 12 boys' team.

Running for all

The photo shows the team with their bronze medals.

Colgate Games 2021:

The Olympic junior team did well and several of our athletes obtained a finalist ribbon (first 6 athletes) in their age group. Our athletes also obtained a number of gold, silver and bronze medals.

Senior competitions:

Some of our junior athletes have often participated in senior competitions and have won their respective age races, obtaining a medal or certificate. This is great and we feel proud to be part of their journey to become senior athletes of the future.

National championship:

Chethana Witharana was selected to compete in the U18 team. Amanda Goldsmith was selected as overall team coordinator and manager. Unfortunately, this competition was cancelled with the potential to include it into the NZSAA championships in December this year, but unfortunately this was also cancelled due to COVID-19.

A huge thank you to our parents who made a significant contribution to the success of the training sessions in the form of assisting me with measuring long jumps, raking, taking gear out and packing it away again as well as taking times over various distances.

Several of our parents have also been doing volunteer officiating duties during the season, which sometimes could last an entire day. To all these parents: thank you. Your willingness to set aside your own personal time to help your child, and all the other children, so that they can compete in a competition, speaks volumes. You are legends.

We wish to commend all our track and field athletes on their achievements during the season, which could only have become a reality through hard work and dedication that goes into the preparation for their respective competitions at regional, national and in some instances, international levels.

We recognise the pride and inspiration that you bring to the sport, your families, our club, clubs, the Athletics Wellington Centre and the country.

Finally, let us remember that our junior athletes, over the broad spectrum, are the youth athletes of tomorrow - and who will eventually become our senior athletes.

TREASURERS REPORT

Jacqui Cope

After what has been another unusual year, the club is reporting a profit of \$3,928 and a continued healthy bank position. The cancellation of some events, including the National Road Relays in Christchurch, has contributed to this, as well as the reported surplus on sale of uniforms. This surplus has come about by the delayed receipt of income from online shop sales. Our funds in the bank on 30 September 2021 were \$70,539, an increase of \$4,791 on the previous year.

We saw a healthy increase in both Junior Athletics and Winter memberships during the past two respective seasons. Hopefully this will continue, especially with the high number of great performances we are seeing by members representing the club.

Our Grants Officer, Brian Rusbridge, continued his impressive work securing over \$13,500 in grants for the club. This allowed a small profit to be earned from hosting the Shaw Baton Relays, as well as significant savings shared across all athletes representing the club in Taupō for NIXCC, Feilding in 2020 for the National Road Relays and Christchurch for the “Not-the-National-Road-Relay”. This coupled with the considerable effort Brian puts into the administration associated with each of these trips has ensured members have continued to have opportunities to travel to these events at an affordable cost.

The Junior Committee were also successful in obtaining more than \$3,500 in grant money to cover the costs of a sound system, a second club banner, and more field equipment. Very well done by them too.

This grant income is supported by the fundraising efforts of the committee and club members through the hosting of the annual Shaw Baton Relays event and volunteers who help at the Porirua Grand Traverse. The weekly BBQs at Junior Athletics nights has also provided additional funds. A big thank you to all who helped.

In 2021/22 the committee will be continuing to look at ways to minimise the club’s costs while trying to ensure all members have an enjoyable and rewarding club experience. Please everyone, help out when and where you can.
