

Registration Form for Wellington 14-15 Athletes

Due to the Wellington Junior Committee being unable to field a team for the 14-15 Inter provincials we are offering support to this age group to attend the Capital Classic in Wellington on the 22nd January and the Cooks Classic in Wanganui on the 26th January. Registrations must be completed and returned to me by Tuesday the 12th January so I can compile all entries.

Full programme for the events is available on the Athletics New Zealand Web Site. These are Open meets and a great opportunity to compete at the top level and see the best. It's also a great opportunity to try Athletics at the Adult level.

Some of you may be going as part of the Young Olympians Camp and congratulations for qualifying for this, just make sure you indicate this and I'll complete your entry form for Capital Classic. Cooks Classic is included in the camp. Don't forget to include an entry form for Cooks with your Camp registration. We ask that everyone is available for relays if required. You will have the opportunity to wear Wellington uniform.

Hope the season is all going well

John Quinn
